## Celebrating 50 Years in Guelph

In 1972 there was only one true candymaker left in Guelph, down from 6 in the 1940's. Sensing this was a need that they could fill, my parents, John and Betty Merritt, started up Candies of Merritt.

Betty's father Steve Yurchuk had apprenticed as a candymaker in Brantford in the early 1900's and Yurchuk Candies was very well known in the Niagara area.

My parents and my uncle Jim Yurchuk taught me the family art of making chocolates and candies by hand and from scratch. Now with my wife and children I am continuing our family's tradition that goes back over 100 years.

Christmas time has always been very special to me because it celebrates the birth of Jesus. To a lesser extent it is a time to flex my candymaking muscles with our hand made candy canes and Christmas cutrock. I am proud to be one of the last people in Canada that still makes candy canes completely by hand. Once you've tried one you'll understand why hand made makes such a difference. I truly hope that my family's work can add a little extra sweetness to your family's Christmas celebration.
