John and Betty Merritt learned to make candy from her father Steve Yurchuck who had apprenticed as a candymaker in Brantford in the early 1900's. Today the family art of making chocolates and candies by hand and from scratch lives on with their son Bruce Merritt and his family. Using time honoured methods and no machines, Candies of Merritt's small batch candy canes and Christmas cutrock are loved all across Canada. Customers even ship them overseas, sending a little of Guelph's sweet Christmas tradition to family and friends.

Their chocolate has always been gluten free and they have always had a large variety of vegan and dairy free options available.
